Tuition Assistance Scholarship

The Oregon Gymnastics Academy's mission is to promote and motivate character, fitness, and health in the lives of our athletes, employees, and community through the sport of gymnastics. OGA provides a top quality gymnastics education to children of all ages and abilities. We strive to develop high caliber athletes with strong character who are able to be successful and progress in the sport to the highest level they desire. Through the sport of gymnastics, OGA teaches life lessons and skills our athletes will take with them and utilize to have a positive impact on the world.

OGA believes the benefits of gymnastics should be available to all children. To aid in this, we offer Tuition Assistance Scholarships to current members as well as families who are new to OGA.

The Tuition Assistance Scholarship is awarded based on financial need. Scholarship awards are determined using a sliding income scale and an availability of funds and may be a partial or full award.
