LETTER

2018 was a year of resounding success for OGA. Tremendous growth continued in our programming, leading to record high enrollments, our staff members grew not only in numbers, but in abilities, and we made a number of improvements to our facility. This growth has allowed us to perform critical examinations of the organization and find ways to continually improve.

Additionally, 2018 was a year in which we were able to reflect on our mission and values. Each day we were reminded why it is we do what we do: to help better each and every child that walks through our doors. We strive to develop high caliber athletes with strong character who are able to be successful and progress in the sport to the highest level they desire. Through the sport of gymnastics, OGA teaches life lessons and skills our athletes will take with them and utilize to have a positive impact on the world. Sometimes these lessons and skills are hard. Sometimes they test our resolve. But we as an organization must always make decisions in the best interest of our athletes and their families.

With growth comes change and progress, but it also must come with self-reflection and the upholding of our core philosophies. We thank our members, who support OGA as we grow, change, and progress. In turn, they can be assured that we will always act in a manner which supports the mission and values we all believe in. The successes of 2018 are just the beginning, and we look forward to see what 2019 has to offer.

Lisa Havelind
Executive Director

OGA SPONSORS

THANK YOU FOR YOUR SUPPORT!

BOARD OF DIRECTORS

Kylan Pimley, President

Ryan Huffstetler, Vice President

Karol Anderson, Secretary

Christy Clasey, Treasurer

AnnMarie Caplan, General Representative

MISSION STATEMENT

OGA is a non-profit organization whose mission is to promote and motivate character, fitness, and health in the lives of our athletes, employees, and community through the sport of gymnastics.

ALL STAR PROGRAM

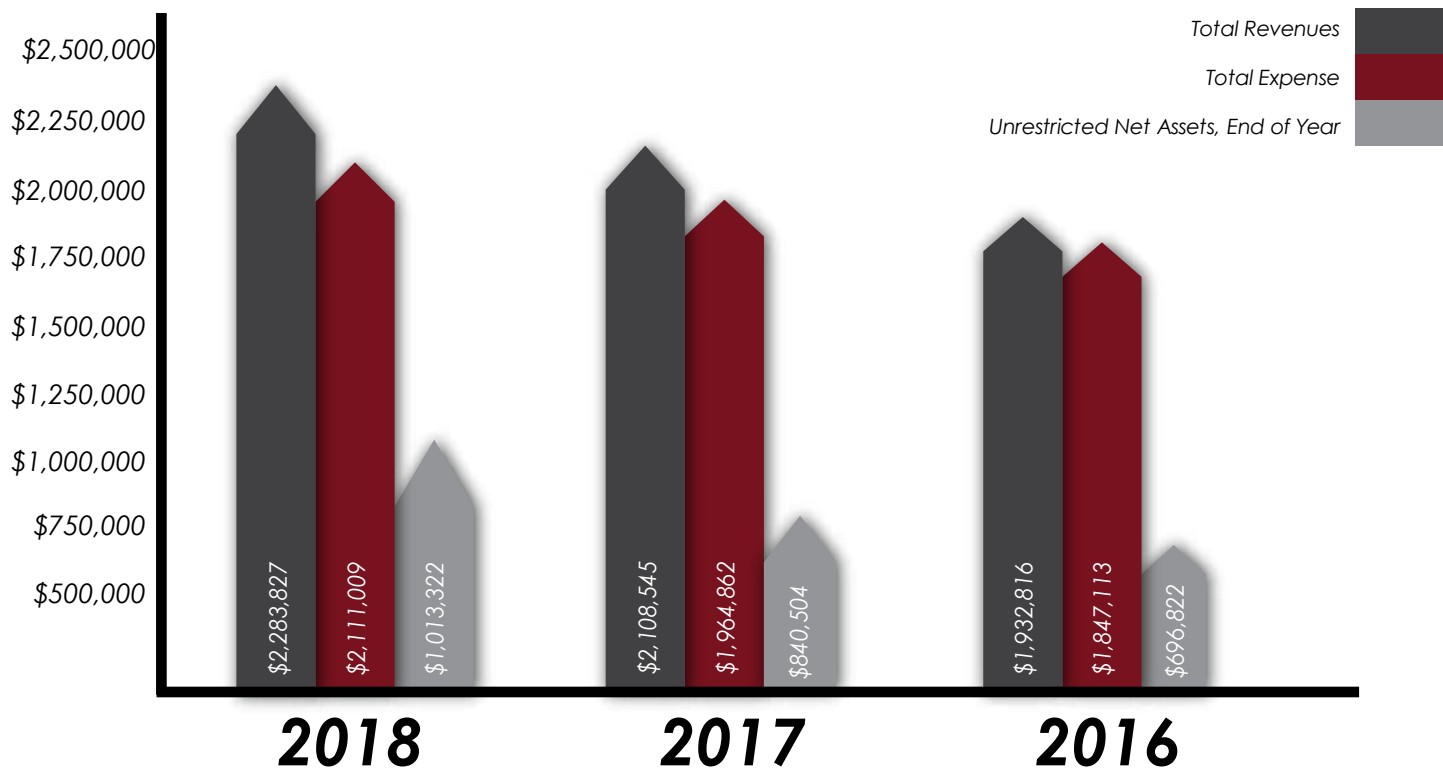

OGA's All Star Program was created with the belief that all students deserve the opportunity to have a positive gymnastics experience. Our All Star coaches work to accommodate all needs with patience and care, while promoting confidence and independence in each student. Classes are designed on an individual basis to help students learn and achieve goals while having fun in a social setting. Our unique equipment aids in facilitating the development of motor skills, including jumping, coordination, balance, and body awareness. Additionally, our students increase their self-esteem and confidence as they reach goals, achieve challenges, and discover strengths not addressed in the traditional classroom setting. Finally, the motivation and decision making inherent in gymnastics can be transferred to countless other settings.

Program benefits include:

- *Advancement of fine and gross motor skills*
- *Increased self-esteem and confidence*
- *Increased attention/joint attention*
- *Increased balance, strength, and stamina*
- *Development of cognitive skills including decision making, positive transitions, and thought flexibility*
- *Increased motivation to try new skills, achieve goals, and work through challenges*
- *Practice for listening and following instructions*
- *Improved motor planning skills and better body awareness*

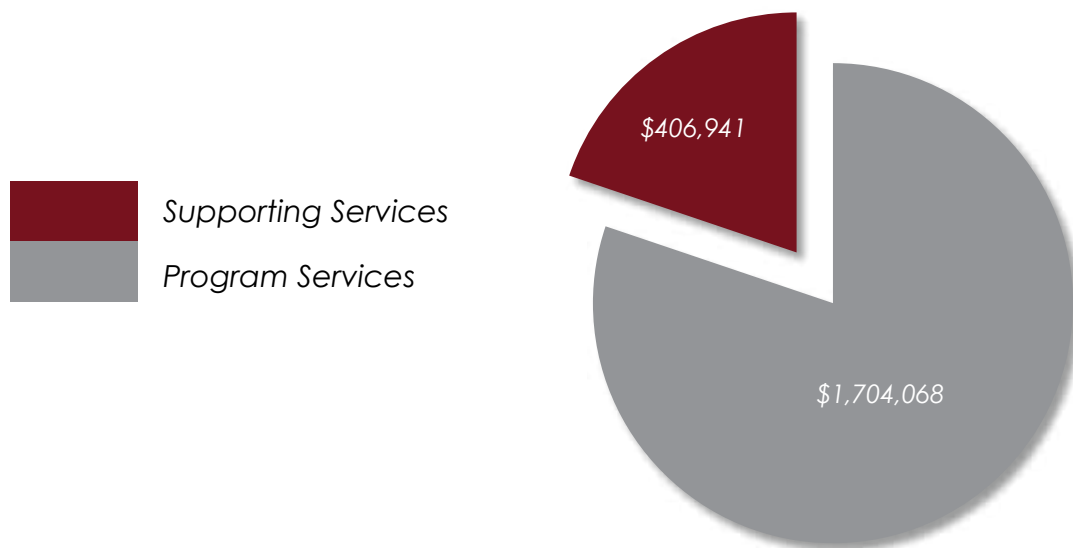

FINANCIAL REVIEW

**Extracted from reviewed financial statement. (Available upon request)*

Oregon Gymnastics Academy, a 501(c)3 non-profit organization receives no federal or state funds. Every dollar received by OGA comes from members, individual donors and corporate support.
